What is CRIME STOPPERS?

Crime Stoppers is a Police-Community Program geared toward the fight against crime. It involves the PUBLIC, the MEDIA, and the POLICE

Adams County Crime Stoppers offers cash rewards up to \$1000 and anonymity to citizens who furnish information leading to the arrest, bind over, and or conviction of all felony and certain misdemeanor offenders, and the recover of stolen property and dangerous drugs.

Adams County Crime Stoppers is a non-profit, tax-exempt organization that is funded primarily by private donations from members of the community. This includes individuals, corporations, associations, clubs, retailers and other organizations.

PROGRAM ADMINISTRATION

A Board of Directors, composed of a cross section of citizens throughout the Adams County area, oversees the Crime Stoppers Program. They determine and approve the rewards to be paid, based on the information presented by the Law Enforcement Liaison Coordinator. The citizen who furnishes the information to Crime Stoppers remains anonymous. The Board is presented only the facts and the code number assigned when the call was received. No other identifier is used.

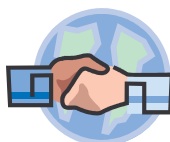

Crime Stoppers can help recover stolen property

Media Involvement

In order to publicize the Crime Stoppers Program and maintain a high profile in the community, specific unsolved felony or misdemeanor crime is selected weekly and featured. In addition, the selected crime is aired on the radio and appears in the newspapers and on TV.

Crime Stoppers does not pay for TV, radio and newspaper time or space. Participating area newspapers, radio stations and TV stations absorb these expenses as a public service.

Tips

When a call is received, it is logged with the date, time and a brief summary of the callers information. Callers are furnished with a secret code number which is used in all subsequent transactions. Callers may remain anonymous, with no pressure to reveal their identity, and still collect rewards

REWARD

Cash rewards are payable to any person whose information leads directly to the arrest, bind over, and or conviction of an offender. Rewards are offered automatically upon the commission of a felony offense or certain misdemeanors, and the recovery of stolen property and dangerous drugs, and remain in effect until withdrawn by the Board of Directors.

CRIME STOPPERS

Crime Stoppers has helped police solve felony cases and aided in the recover of thousands of dollars worth of stolen property and dangerous drugs.

Thousands of dollars in rewards have been paid to citizens for their information that resulted in the arrest, bind over, or conviction of offenders.

In addition, Crime Stoppers works with every Law Enforcement Department in Adams County and surrounding Counties by forwarding the information to those agencies for investigation
